

Volunteering

It's a great way to meet new people, gain confidence, learn new skills, stay active and involved and have fun. Volunteers have been an important part of the Healesville Living and Learning Centre since it began in 1979.

Our volunteer program offers a variety of opportunities for volunteering in the areas of Project Coordination, Group Facilitation, Reception, Administration, Customer Service, Gardening, Board of Governance and in the Opportunity Shop. For more information or to speak with someone about joining our team, contact us on 5962 5982.

A variety of office spaces and specialty rooms are available. We offer discount rates for community and not-for-profit groups and organisations. Special consideration will be given to charitable events.

Venue hirers can promote their activities in our Course Guide or through social media for a fee. Contact us for more information.
