There's something really special about creating something tangible with your own two hands, especially in a supportive, women-led environment.

Whether you are upcycling a piece of furniture or sketching your first design to choosing the perfect piece of timber and mastering the hum of the power saw - it's more than just carpentry. It's storytelling through craftsmanship.

Anything is possible.

Skills Development

Upcycled Clothing

Start: Friday 25th July - 19th Sept 2025

Time: 9.30am - 12.30pm

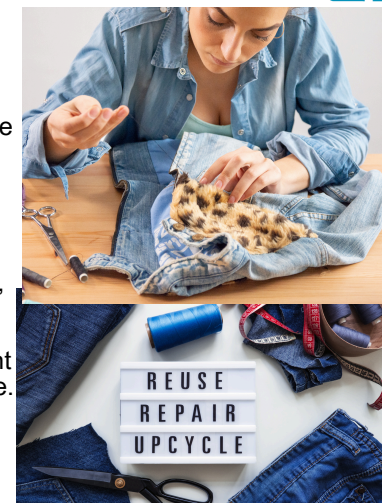

Fees: \$50 concession or \$90 per term

Dive into a creative, hands-on experience where fashion meets sustainability. This upcycling program invites you to transform old or pre-loved garments into fresh, unique pieces.

Whether you select items from an Op Shop or bring something from home that needs new life, you'll learn how to cut, sew, embellish, and reimagine fabrics into entirely new creations. The end result? A stylish, one-of-a-kind garment that reflects your creativity while reducing waste.

Remember:

Re-Use --- Repair --- Upcycle
